

Dear Prospective Member:

The New York State Collectors Association is pleased to announce its Affiliate Membership program. Affiliate Membership is available to companies involved in supplying equipment, products and services to the credit and collection industry.

We believe our Affiliate Member program is the most economical and an effective avenue to promote your company's products and services to our members and newsletter recipients. Members become familiar with our Affiliate Members through the newsletter, Expo & Convention, periodic announcements by email and involvement in unit activities.

Please consider becoming an Affiliate Member of the New York State Collectors Association. Feel free to contact me at any time with questions or comments you may have.

We look forward to working with you and developing a mutually rewarding business relationship.

Sincerely,

Vanessa Feilan
